

E9299 OLPBW

SERIES 9000

Ultimate Duty Spring Retractable Reels

E9350 OMPBW

Ideal for service trucks, permanent service, or plant work areas

Substantial base frame – full width frame has the greatest amount of mounting area and overall strength of reels within its class

Latch and ratchet are made of heavy duty cast aluminum to limit the opportunity for premature wear

Full flow stress-free swivel design – full flow swivel combines the highest grade seal design and materials with bearing areas to ensure maximum service life

Reels are shipped in the bottom wind position with right hand inlet; see Hose Guide Roller Position for other options

Meets or exceeds military vibration for Truck Transport test MIL-STD-810F 500,000 mile equivalent
