Heavy Duty Hose Reels

Heavy Duty Spring Retractable Hose Reels

Series 7000 is very robust and ideal for the most demanding applications. The reel's base and guide arm are formed from high-grade steel and engineered with structural forms and gussets to yield the greatest amount of strength. The standard low pressure hose is for air or water service only. The basic reel without hose can be used for air, water or oil. Consult Reelcraft for other products and hoses. Guide arm adjusts to 7 positions.

Applications
• Industrial
• Automotive service centers
• Transmission shops
• Fleet maintenance facilities
• Pneumatic tools
• Aircraft maintenance
• Tire stores
• Agriculture
• Service trucks
• Wash down
