Reels supplied with PVC hose.

- Spool is constructed from a rugged engineered plastic
- Individually powder coated components offer maximum protection from premature corrosion
- The steel guide arm and base are stamped with ribs and gussets to ensure maximum strength and lightest possible weight
- Widened ratchet and latch pawl design greatly reduces wear and increases service life
- The industrial-grade drive spring completely containerized and permanently sealed
- Inlet hose is plumbed into the base to eliminate the risk of undue stress on the swivel
- Guide arm adjusts to seven positions
